For more information e-mail BYSA VP Competitive Chair at joshuavillalovos@hotmail.com

NOTICE TO ALL PLAYERS TRYING OUT FOR COMPETITIVE SOCCER

**YOU SHOULD READ AND UNDERSTAND THE
FOLLOWING BEFORE YOU REGISTER**

BEFORE TRYING OUT:

- You must be a registered BYSA player from the 2017/2018 season (last Fall/Spring).
- You must complete an application and send via e-mail to lowell1956@nwcable.net or fax to 979-232-2138.

IF YOU ARE NOT A BYSA 2017/2018 SEASON REGISTERED PLAYER, YOU MUST :

- Complete an application and send via e-mail to lowell1956@nwcable.net or Fax to 979-232-2138.
- Fill out a STYSA registration form and pay \$35.00 to participate in the Competitive Soccer Try outs. (Parent/Guardian signature and original certified copy (from court house) birth certificate/proof of age required) **At tryouts you will see the BYSA Registrar to complete the STYSA form and pay the fees.**

UNLESS YOU ARE AN EXEMPTED PLAYER, YOU MUST ATTEND TRYOUTS TO PLAY ON A COMPETITIVE TEAM.

1. **Become aware of all of the approved Coaches** in the age group(s) and competition level that you're trying out for.

Mark on the tryout application form provided which age group(s) you are trying out for.

- Make your first age group choice you would like to play for the most.
- Make your second age group choice you would like to play for as an alternate.
- Make your third age group choice you would play for as a third choice.
- X-out any choices you don't want (don't leave any blanks).

Notice: This is a format that hopefully gives the player/parent a little more control over which age group the player plays in. If the first age group choice Coach doesn't pick the player, the second age group choice Coach gets to decide, and so on. When you choose an age group as first choice and the coach for that age group chooses you as a first choice, no other age group Coach can draft you.

You are encouraged to find out what you can about each Coach in the age group you are considering before you make your choices. This includes: Cost, travel time, practice location, etc. This must be done before the scheduled tryout date. You can do this by talking to other players, calling the coaches, or contacting BYSA.

- 2 **You should be aware of the possible consequences if you mark that you are trying out for only one age group:**

- If the age group team forms but does not draft you, **you can NOT play for any other Competitive team in BYSA, unless you obtain a decision from the BYSA Competitive Committee.**
- If the age group team does not form due to a lack of players, you will be notified and asked if you want to make yourself available to other age groups.

- 3 **If you are drafted by any age group Coach which you marked on your tryout application form,** then you must play for that age group Coach. You cannot decide later that you prefer to play for a different team or age group. **All Competitive team rosters will be frozen Aug. 15th.** There are strict rules governed by STYSA, which allow only a few reasons to transfer from one team to another. Any movement of players will be approved by BYSA and HYSA.

- 4 **No forms will be changed at tryouts. So make sure you mark all age groups you would like to tryout for when you turn your application into the BYSA Registrar prior to tryout dates.**

- 5 **If you are trying out for two different age groups,** make sure your form is clearly marked with all age groups in the order preferred.

Competitive Soccer Information for Parents

So Your Child Wants to Play Competitive Soccer?

Competitive Soccer can take more time and money commitments than recreational soccer including travel to different fields around the greater Houston area.

Competitive Teams Schedules: (Every team varies on how active they are.)

May – June: (After Competitive tryouts)

- Registration (~\$100 - \$150)
- Uniform Cost (~\$45 - \$100)
- If a professional trainer is used, the cost is \$35 to \$100 per player per month.
- Practice 2 to 4 days a week (can include Saturday or Sunday afternoon).
- Your child will be expected to be part of the team for the next 10 ó 12 months.

June – August

- Practice (may start in June or July) 2 to 3 days per week.
- Play in 1 or more tournaments costing \$250 to \$500 per team. (Individual cost will vary based on number of team players. Divide the cost by that number for the individual cost.)

Tournaments mean:

- You pay your portion of the entry fee.
- You pay for your transportation.
- You pay for your lodging (if tournament is out of town).
- You pay for eating out or whatever eating arrangements you make.
- Your child will be expected to play on Sunday, if your team advances to semi-finals or finals.

September – December (Regular Fall Season)

- Practice 2 to 3 days a week (sometimes Saturday or Sunday).
- Play 1 or more games per week (usually Saturday or Sunday).
- One half of your games will be played in the Houston area.
- If your team wins most of their games, they will probably advance to Eastern District Playoffs, which would take place 1st or 2nd weekend in December. These games could be held anywhere within the STYSA boundaries (i.e. Houston, Austin, San Antonio, Corpus Christi, Beaumont).

December – January most teams take a well-deserved break during this time.

Late January – Early February

- Depending on the team, their age, and their involvement with high school soccer, practice may start up again 2 to 3 days a week.
- May play other local tournaments.

March – May (Spring Season)

- Possibly enter the South Texas Cup, President's Cup or Director's Cup Tournaments. (May last 2 to 8 weeks depending on team's success.) Play is on Saturday and/or Sunday. Finals are within STYSA boundaries (i.e. Houston, Austin, San Antonio, Corpus Christi, and Beaumont).
- If your team improves all year long, your coach may decide to play in Super II League Play. (This is the highest level of Division II.) Or the coach may want to try out for Division I.
- BYSA Competitive Soccer tryouts again in May/June.
