

TOPSoccer (The Outreach Program for Soccer) is a community-based training and team placement for young athletes with special needs and organized by youth soccer associations, volunteers, or in this case Brazosport Youth Soccer Association (BYSA). The program is designed to bring the opportunity of learning to play soccer to any boy or girl between the ages of 4 and 19 who has a mental or physical disability which limits his/her ability to participate in recreational soccer. Some of these disabilities include:

- Autism
- Down Syndrome
- Muscular Dystrophy
- Cerebral Palsy
- Sight or Hearing Impaired
- Traumatic Brain Injury (TBI)

The emphasis of **TOPSoccer** is on development, training and participation rather than on competition. **TOPSoccer** was formed to perpetuate the US Youth Soccer Mission statement which is “to foster the physical, mental and emotional growth and development of America’s youth through the sport of soccer at all levels of age and competition.”

Our **GOAL** is to enable young athletes with special needs to develop their physical fitness, technical skills, courage and self-esteem through the joy and excitement of playing soccer.

There are children within our community who need, and can be provided with, the opportunity to play soccer through the TOPSoccer program. This is where you, our local communities and businesses come in. Our **GOAL** is to make the **TOPSoccer** program completely free for our **TOPSoccer** families which means there are no registration fees, no uniform costs, or costs for trophies. In order to accomplish this **GOAL** we need donations and sponsorships from our local businesses in our
